Location: Black Whale Dock at Center Street and The Bay

Directions from Garden State Parkway:

Take the Garden State Parkway either from the north or from the south to exit 63. Take route 72 east approximately 8 miles, you will pass over the causeway bridges onto Long Beach Island, stay on 72 until it ends. Make a right turn on Long Beach Blvd. Take Long Beach Blvd south another 8 miles to Beach Haven. Be aware that summer time speed limits, traffic, as well as traffic lights on the island will slow you down so plan accordingly. When you enter the town of Beach Haven you will see Fantasy Island, a small amusement park with a ferris wheel to your right. Continue south another 8 blocks past the Fantasy Island Amusement center until you reach Centre St. You will see the Marlin Bar & Restaurant on the far right corner of the intersection. Make a right on to Centre Street and go all the way to the end. We are located on the end of the street at the Black Whale Dock. Parking is available on either side of the road.
